		CC	(Extremely Weak)	Ca	(Extremely Poor)
		R	(Regulatory Action)	C	(Lowest)

### Comdex

The Comdex is a percentile ranking of all the major insurance rating organizations combined. The rating is on a number scale of 1 to 100 with a higher number being the better ranking. If an insurance company's Comdex ranking is 80, this means it scores higher than 80% of all other insurance companies with multiple ratings. An insurance
